

## Recruitment of Volunteers!

### New College is recruiting Peer Mentors for Fall 2017

*Are you interested in helping new students with the transition to York?*

*Are you eager to share your experiences as a first year student?*

*Are you looking for a great way to make a contribution to the York community?*

*Are you interested in attending exclusive workshops to develop your leadership and personal skills?*

New College offers a peer-to-peer program that helps first year ADMS, HRM, ITEC and DEM students navigate through a smooth transition to university life, while at the same time giving upper year New College students the opportunity to develop their skills by helping a new member of the York community.

At the beginning of each new term, we pair incoming students with a Peer Mentor in their program/ specialization field i.e., HRM, ITEC, DEM, Accounting, Finance, Management, etc. For the duration of the term, Peer Mentors offer support to their mentees by answering questions and sharing the 'inside scoop' about York services and resources.

Peer Mentors will receive training, as well as a certificate for participating as a mentor in this program.

*(This recruitment is for the Fall 2017 term - December).*
