

New College is now recruiting volunteer presenters for the ...

## University Experience Program

The University Experience Program intends to provide a meaningful experience for undergraduate students, as well as current high school students in the surrounding area. New College student volunteers will visit local high schools to give a presentation on the University Experience. The goal of the presentation is to inform high school students of why they should consider pursuing post-secondary studies, how they can prepare and what they can expect.

As a member of the University Experience Program, you will be provided with training and bus tokens for travel. All presentations will be booked between September 2016 and May 2017.

### We are looking for students who ...

- Are outgoing and enjoy public speaking
- Want to be engaged within the New College community
- Are enthusiastic, reliable and good team players
- Are familiar with GTA public transportation system
